BPS – “Together we Care, Share and Learn”

Principal Message

As we approach the end of this term, I would like to thank you for all your continued support as we work together as a school community, raising standards and transforming young peoples' lives. We have had an extremely successful term with students focused on learning and doing their absolute best every single day. I applaud the students....

There have been so many amazing events that have taken place this term as a result of the hard work, dedication and resilience of our staff, students and families. We thank each of you!

I am going to sneak a moment to congratulate Mrs Winkel (Liz) and Matt on their exciting news of 'Baby Winkel'. Baby Winkel is on it's way... We are super excited for them. Such a special and precious time. Great news for you both!

Calendar for Term

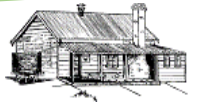

2&3

- 5 July Last Day Term 2
- 22 July Staff Development Day
- 23 July Term 3 Resumes
- 24 July 100 Days of School
- 29 – 2 August Book Week
- 31 July Book Parade
- 2 August Healthy Harold

May I wish you all a safe, fun and happy holiday break with your favourite little people. You have some planning to do over the holidays – the first week back is 100 days of school and week two is the Book Parade and Book Fair. What a magical way to start the term!

- Margot Jasprizza

Infants Classroom

I would like to thank you for sharing your little people with us. There is not a day go by when Leanne, Skye or myself do not look at each other and say "WOW". We are dazzled with each student's progress in learning, their healthy attitude to new learning and their resilience when making mistakes and learning from this. The classroom is harmonious and humming along in a predictable routine.

I will be calling for classroom helpers next term. As I have said in previous newsletters, I am very happy to roster the term. This may allow each parent to attend at least once within the term. It is a lovely opportunity for you to spend time in the classroom, and the children love seeing their important adults being present and observing all the amazing things they do in a learning session.

A recent writing sample was held this week. It was so reassuring to see how confident the children are at risk taking and trying out their newly learned and consolidated skills. SO PROUD!!!!

This is me 'over and out' for the term. I am looking forward to some quality time with my family over the next few weeks. I hope you all have a restful and enjoyable term break and look forward to welcoming students back refreshed and ready to work hard over term three.

- Miss Margot

Primary Classroom

What a term! Primary has been working very hard and I have seen so much amazing growth through all of their hard work.

We began with a fascinating dive into amazingly dangerous weather phenomena and wrapped up with a spot of poetry, honing our skills in personification, similes and metaphors. Our math focus was on fractions, place value and data, data, data! There were lots of fun learning opportunities to grow our skills and knowledge.

We also wish safe travels to Alizah, who is off on a big adventure! Have an amazing time and take lots of pictures. It has been great having you as part of our class.

In other news, I am excited to share that a baby Winkel is on the way, arriving sometime in November!

- Mrs Winkel
