## School Uniform Policy – October 2020

### RATIONALE

At Ballimore Public School our school uniform policy reflects community standards. Economic, personal, social and cultural factors affecting students and their families must be considered when deciding on uniform. The school’s uniform policy should be reviewed at least every five years and amended where necessary. Students are encouraged to be in full school uniform to reflect their respect for the school and membership of the school community.

To ensure students’ safety, the following practices apply:

- Jewellery is not permitted at school apart from watches, medical alert information, sleepers or stud earrings and items of religious significance, which should be protected under clothing.
- The P&C support “No Hat, No Play”. Ballimore Public School bucket hats are part of the school’s uniform. Students without hats are to play in the COLA shade area or in the shade of the weather shed and sand pit shed area.
- All students are expected and encouraged to dress in school uniform. If this creates difficulties for families, please contact the school for support.

The Ballimore Public School uniform is available for purchase from the Ballimore P&C. Uniform prices are set by the P&C, reviewed on a yearly basis. Uniforms, new and used (in the form of a Clothing Pool) are kept in a cupboard within of the Administration Office Building.

A School Uniform Price List is to be provided to the school and displayed with uniforms for ease of purchase during school/office hours.
